

# BERGMAN BEAUTY CARE

The Bergman Clinic in the Netherlands is a well-respected centre for all sorts of self improvement. World renowned for its stable of leading plastic and aesthetic surgeons, the signature skincare range, Bergman Beauty Care, was borne out of the absence of good post-op skincare products. This luxe collection of active, results-driven products is for those who only have eyes for the best.

## Bergman Protection System with Sunscreen

A light fluid treatment to protect and preserve healthy cellular function. Powered by almighty antioxidant, beta glucan, this moisturising skin guard also shields you from UVA and UVB rays. Ideal for combination skins.  
**30ml, \$98.**

## Bergman Crystal Clean

This cleanser promises an intense clean without stripping your skin of much-needed moisture. It also firms and tightens as it washes away dirt and impurities. (TIP: Follow with the amazing Crystal Clean Toning Water).  
**500ml, \$79.**

## Bergman Metamorphose Facial Mask

One of the stars of the Bergman stable. Prepping for a big night out? This moisturising mask gives truly rave-worthy results on any skin it touches. Vitamins A, F and arnica repair and strengthen while hydrators dose up the skin with glow-giving moisture.  
**50ml, \$183.**

## Bergman 24 Hour Guard

A talented all rounder that, frankly, we just won't live without. An exceptional emulsion that's ideal for sensitive skin and those horrid hormonal breakouts. Hydrates, protects and nourishes.  
**50ml, \$141.**

## Bergman Supreme Cream

The brand's big-gun treatment cream and an editor's fave. Hero ingredient, beta glucan, works at age prevention alongside glycoproteins and Vitamins E, F and B5. This heavenly textured cream firms, tones, brightens and hydrates.  
**50ml, \$850.**
