

SENSITIVE SKIN SAVERS

So you haven't been blessed with perfect skin? We know the trouble you see. Low-grade inflammation, allergies, redness and rosacea need gentle, trusted treatments. Let us show you the way.

Joey New York Calm and Correct Cleanser and Toner

A vitamin-enriched gel cleanser that contains a mix of aloe vera and algae extracts to purify without irritating. The equally gentle toner (based on natural proteins, bio-extracts and minerals) leaves the skin truly comfortable. You can't go wrong with this calming couple. **230ml, \$39.**

Erno Laszlo pHFormula 3-9

Those in the Laszlo know rave about this nourishing balm. It deeply hydrates thirsty skin while leaving behind a protective barrier to keep the good stuff in and the bad stuff out. Frequent flyers don't board a plane without it - and it's a wonderful salve for sunburn, rashes, and other irritations.

30g, \$190.

Bergman Sensation Day & Night Cream

Originally created for post-operative care at The Bergman Clinic, this delicate, fragrance-free duo faithfully protects sensitive types. Beta glucan nourishes, while zinc and magnesium increase your skin's resilience. Gentle yet effective.

2 x 30ml, \$234.

The Organic Pharmacy Carrot Butter Cleanser

Dry skins become quickly addicted to this cult cleansing balm. Chamomile, rosemary and lavender unclog pores and dissolve make-up, while the rich shea and cocoa butter soften the skin. We say: Use a muslin cloth to remove it for added exfoliation benefits.

60ml, \$76, Muslin cloth \$11.

Peter Thomas Roth Chamomile Cleansing Lotion

This gentle, non-drying cleanser treats carefully with calming chamomile and herbal extracts to cleanse all traces of make-up and grime. Suitable for all skin types. **250ml, \$45.**
