

ERNO LASZLO

The late and great Dr Erno Laszlo tended to the complexions of Hollywood heavy-weights like Marilyn Monroe and Greta Garbo. He pioneered startlingly effective products and unique skin-management regimes and was widely considered to be way ahead of his time. Though the Doctor is no longer in the house, his genius continues thanks to a dedicated team of scientists who honour his legacy while keeping the brand firmly in the now.

Erno Laszlo TranspHuse Eye

All the line-filling and face-firming powers of TranspHuse are here, in addition to eye-friendly anti-inflammatories to reduce puffiness and dermal fillers to reduce fine lines. Perfect for those in need of a true wake-up call. **0.5oz, \$125.**

Erno Laszlo TranspHuse Topical

You want a skin firmer that really feels like it's working? The topical muscle relaxants and firming agents in this scientifically advanced formula instantly firm and up elasticity, while plumping ingredients fill and smooth lines and wrinkles. Dry types should definitely apply moisturiser afterwards. **30ml, \$198.**

Erno Laszlo Anti Oxidant Moisture Complex SPF 15

A delightful daytime lotion, this Laszlo mainstay offers oil-free hydration, potent antioxidant vitamins and broad-spectrum sun protection. Oh, and no greasy after feel. **3oz, \$65.**

Erno Laszlo Multi-Phase Eye Make Up Remover

Shake shake shake and the oils that effectively dissolve make-up mix with the surfactants in the water to clear away any additional residue and keep skin feeling fresh. **120ml, \$59.**

Erno Laszlo Dual Face Wash

A modern take on Dr Laszlo's famed dual-cleanse system. A few pumps release a dose of Active Phelytil Oil with botanical extracts to soften skin, dissolve impurities and nourish and then blends it with a liquefied version of the famed Face Bar with extracts of cucumber, vitamin C and E, green tea, and algae. **60ml, \$76.**
