

## GLOW GETTERS

### RADIANCE-BOOSTING BEAUTIFIERS

What do women want? A stunning, lit-from-within, Cate Blanchett-esque complexion. Dull, drab skin and patchy pigmentation are the arch enemies of the glow so get busy with these brilliant brighteners.

### Bergman Lighten Up

A Truly brilliant brightening cream from the anti ageing gurus at The Bergman Clinic. Helps fade pigmentation and dark spots, while also preventing further discolouration. This Intensive moisture boosting cream is recommended for daily use for skin types prone to pigmentation.  
**50ml, \$159.**

### Erno Laszlo Hydra Therapy Skin Vitality Treatment

A clever little chemistry set for drab and dreary skin. The perfect pre-party treat, watch your skin drink up this restorative concoction. Cooling agents lower the skin's temperature making it ideal for the sunburnt and sorry.

**4 packs \$85.**

### Peter Thomas Roth Power C20 Anti-Oxidant Serum

A feather-light gel packed with the perfect boost of Vitamin C and impressive actives. Helps increase collagen production, fights free radicals, smooths, firms and visibly brightens.  
**28ml, \$118.**

### The Organic Pharmacy Collagen Boost Mask

This gentle, leave-on mask can be used twice weekly or daily during Summer. Alpha lipoic acid and a powerful arsenal of nature's finest resurface, brighten, and keep lines in soft focus.  
**50ml, \$179.**

### Joey New York Egg Cream Cleanser

Who knew the power of the humble egg? It tightens, brightens, and is a natural source of antioxidant vitamins. Exfoliating beads keep skin cells in check while hydrators help maintain that glow.  
**200ml, \$49.**
