

# SECRET WEAPONS

Life is beautiful to be sure. But beautiful takes work right? The key is to appear as if it's all so effortless. And to do that, friends, you need a clever bag of tricks, sorry tools to help you keep your secret.

## Joey New York Correct-A-Line for Face

You can own the most fabulous foundation but if your skin is not its absolute best it's never going to look as good as it should. This incredible, anti-aging primer helps hold the moisture in the skin and immediately plumps up any lines. Your base will look better than ever with genuinely improved staying power. **45g, \$50.**

## Joey New York Chin Breakout Relief

Lumps and bumps appear around the chin and mouth courtesy of stress and hormones. Keep RESCU's favourite, all-natural face protector close at hand to both treat and beat breakouts. Salicylic acid helps clear congestion and control excess oil. **60ml, \$39.**

## Peter Thomas Roth Anti-Shine Mattifying Gel

Pat pat pat this lovely light gel into obviously shiny areas to absorb unwanted oil. This non-drying mattifier can be used under makeup as a primer for oily skin types. Results last all day long. **28g, \$49.**

## Anatomicals Snog Me Sense-less Breath Spray

Bad breath equals social death. Arm yourself with this breath freshener charged with cinnamon, parsley and stevia to sweeten up the conversation. Be discreet about touch ups, though if you're caught look on the bright side: he'll quickly get the message. **15ml, \$9.95.**

## Erno Laszlo TranspHuse pHixation Corrective Concentrate

Pondering an injectable? Put the hard stuff on hold and perfect your reflection with this concentrated serum packed with Erno Laszlo's signature muscle-relaxing peptides and marine spheres to deliver a smoother skin. The subtle green tint counteracts redness and hides broken capillaries. Very clever. **1.7g, \$125.**

## Reniu Shampoo and Conditioner

Want that elusive, exotic Island allure without having to drench yourself in scent? Treat your tresses to this naturally sourced, lightly fragranced pair. The soft-scent shampoo gently cleanses and leaves hair soft and shiny while the nourishing conditioner smoothes and protects. **250ml, \$19.95 each.**

## Erno Laszlo Timeless Skin

Procreative types know that diligence is the only way to turn back time. And a few pumps of this age-preventative treatment packed full of potent yeast and marine extracts, collagen-building vitamin C. A pre-moisturiser must to farewell fine lines. **30ml, \$190.**

## Anatomicals No Old Bags Allowed

What can you get for 10 bucks these days? This refreshing little eye gel that's laced with arnica and orange flower water to help restore under-eye calm after all sorts of sleep-depriving bad behaviour. A 'RESCU recommends' for the party season. And at this price you can afford to own them in multiple. **15ml, \$9.95.**

## Anatomicals Gorgon (GONE...) Zola Foot Cream

Summer is here, as is a new season of fabulous shoes. Don't strap on that traffic-stopping sandal without a coating of this moisturising feet treat. Apply nightly for upkeep. **150ml, \$9.95.**

## Peter Thomas Roth Power Rescue Facial Firming Lift

There are days when we feel the gravitational pull more than others. Which is why we rely on this fantastic face firmer. It's loaded with a mix of nature's nurturers (arnica, soy protein, green tea extract) and high-tech delivery systems. Smart skincare. **50g, \$198.**

## Cargo Eyelighter

A clever, two-in-one magic wand that makes it even easier to fake big, bright eyes. Use the rounded tip to apply the shimmering white shadow to the inner corners and the pointed tip to sweep a layer of matte white under the brow bones for a highlighting effect. **\$30.**
